

Edge to Edge	3+ cents per square inch
Backing Pieced	\$25.00 an hour
Squaring Back of Quilt	\$12.00
Make Binding	\$25.00 an hour
Machine Binding Front	15 cents per linear inch
Minimum Charge	\$55.00
Batting Available	Price available upon request

You can go to my website www.shellysquiltingattic.com to see all edge-to-edge designs (click on Edge 2 Edge Designs button on Longarm Quilting Services page).

- The quilt top should be pressed, and threads trimmed.
 - If seams are not pressed flat, this can cause folds and bunching on your quilt.
 - Clip loose/long threads as dark threads my shadow under lighter fabrics.
 - Backing should be pressed and squared.
 - Remove selvage from Backing seams, not edges.
 - Backing & batting must be 4 inches longer and wider than the Quilt top on each side (8 inches larger than the quilt top). They may be larger, no need to cut down.
 - Press seams open on the backing.
 - Keep top, backing & batting separate.
 - Mark the top of quilt tops and backing, if directional.
 - Complete the back of the form.
-

Please plan up to 6 weeks' lead time.

Prices are subject to change without notice.
